

International Farm Transition Network

IFTN

Fostering the next generation of farmers

Dear Members,

This year's annual conference will be held at the Red Lion Hotel, Denver Central in Denver Colorado. The Board decided to hold the meeting immediately prior to the Changing lands, Changing Hands conference being held at the Red Lion Hotel. The Board felt that it would minimize travel costs for those planning to attend both the annual meeting and the conference. As such, the length of this year's annual meeting was reduced. Please be prepared to report on the past years activity in your state and bring along a printed copy of your report.

If you have any questions please contact me.

Cordially

John R. Baker

Chairman of the Board
